Riegler Riewe Architects
architecture and urbanism
Graz and Berlin

We operate in a sphere of expertise comprising infrastructural, health service, administration and cultural buildings along with residential buildings and district development concepts.

Roger Riewe

Prof. Arch. DI Roger Riewe

Roger Riewe was born in 1959 in Bielefeld, Germany. He studied architecture at the RWTH Aachen. After lectureships and visiting professorships in Amsterdam, Prague, Barcelona, Venice, Calgary, Houston, and Graz, Roger Riewe became Professor and Head of the Institute of Architecture Technology at the Graz University of Technology in 2001. He has been and is a member of many boards and councils, for example, the city of Cologne's design council and the Scientific Committee European. He is author of numerous contributions to journals and publications. Roger Riewe has been a member of the Committee for Competitions and Awards of the Berlin Chamber of Architects and a member of the board of the HDA (House of Architecture) in Graz since 2018.
